

“AS A COMMUNITY,  
WE MUST PROMOTE BEHAVIOUR  
THAT MAKES EVERYONE FEEL  
SAFE AND WELCOME.”

Professor Alan Robson  
UWA Vice-Chancellor

There are staff and students from more than 80 countries at The University of Western Australia, working together to fulfil their potential and make a difference to the world. Their rich social and cultural diversity brings opportunities to embrace difference, respect alternative views and values, and promote international understanding. The University community believes in affirming cultural identity free from discrimination and ignorance. Only then can we maximise the benefits of the many global opportunities with which we are presented. [www.uwa.edu.au](http://www.uwa.edu.au)
